## Summer Shopping at Pink Ginger

Summertime means having fun with your clothes. Time to wear bright coral-pink shorts, long floral-print maxi-dresses and flowered skirts and feel good clothing. After being in Winter clothing for 8 months, we all jump at the chance to wear a little less. We all feel a little lighter, even if we really aren't.

I have tried to make Pink Ginger a destination spot for women who are tired of the same old look that you find in big chain stores. So far, it has been working with women coming from all over the area and even a little beyond. My original thoughts were that we are not really all made equal. We come in all shapes and sizes and as girlfriends none of us really are the same in body shape. It got to a point where I would go out with my girlfriends and we would have to split up so we could do a little shopping. That's where Pink Ginger comes into the scene, with clothing sizes ranging

from size 4-24 ( meaning up to a 3x ) we can all go shopping together.

The store now carries Foundations by Freya and Fantasie and Ruby Pink, we also added cup size bathing suits into the mix. They are very popular and have been a success with women who really need a little support while wearing a suit.

I have added new lines to the Plus fashions and look forward to finding more clothing that will be trendy, affordable, cute and just a little different. My experience with finding new clothing has been hit and miss, though it is something that I have faith will be a success since new lines are being made yearly by new companies. I just added b&lu to the store and they are flying out fast. I also found a new line Kingsley & Posh for Fall arrival. They are a little more on the conservative side, beautifully made and I think that they will be perfect for the working women. Keep checking back for new Plus lines as summer fades away !

Pink Ginger has also picked up some new lines like Moto, Dorothy Blue, CLM, and lots more in sizes S-XL, with more on the way !

This first year of business has been exciting and I have truly enjoyed working with all of my new customers and old friends that have found their way to Pink Ginger. I always

want you the customer to come first and appreciate any feedback, anytime!

I will be having my first anniversary sale for the whole month of July , so stop by for a treat and everything in the store will be 20% off.

I will also be adding one more dressing room , so go ahead and spread the word to your girlfriends about Pink Ginger.

Love & Peace,

Tina Christou, Owner
